Product name:
Angles - corners metal 1,00x250

Material: galvanized steel sheet
Length: L-250mm

Thickness: #1,00mm
Mounting holes: Ø3mm

Specification:

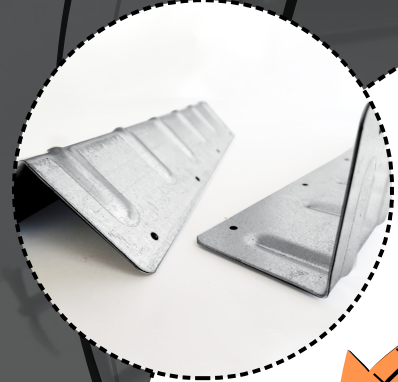

Material: galvanized steel sheet
Material thickness: 1,00mm
Mounting holes: fi 3,0mm
Weight: 0,244kg

Additional option:

Painted powder hinge:
according to the RAL palette

ANGLES - CORNERS METAL 1,00x250

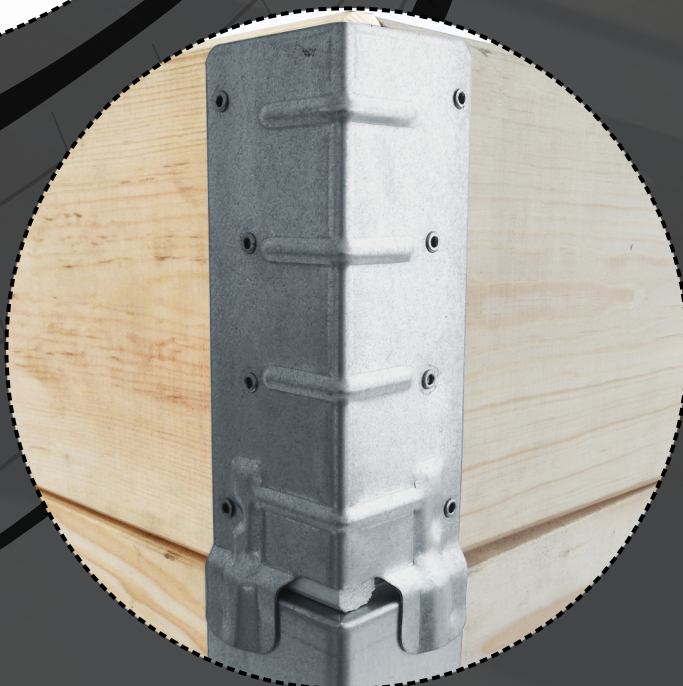

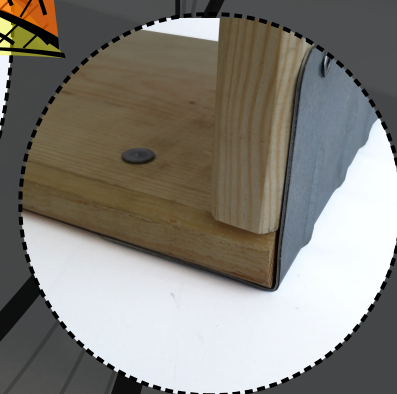

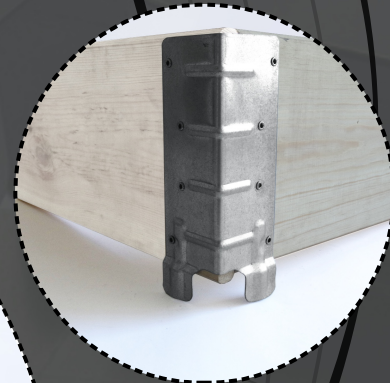

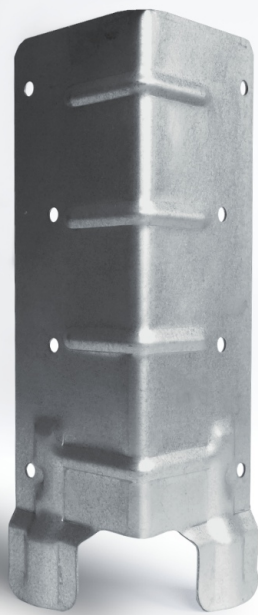

Product name:
Angles - corners metal 1,25 x 200

Material: galvanized steel sheet
Width of wooden board: L-200mm

Thickness:
#1,25mm
Holes on rivets:
Ø5mm

Specification:

Material: galvanized steel sheet
Material thickness: 1,25mm
Holes on rivets: Ø5mm
Weight: 0,304kg

Additional option:

Painted powder hinge:
according to the RAL palette

Product name:
Angles - corners metal 1,25x400

Material: galvanized steel sheet
Width of wooden board: L-400mm

Thickness: #1,25mm
Holes on rivets: Ø5mm

Specification:

Material: galvanized steel sheet
Material thickness: 1,25mm
Holes on rivets: Ø5mm
Weight: 0,518kg

Additional option:

Painted powder hinge:
according to the RAL palette

ANGLES - CORNERS METAL 1,25x400

Product name:
Angles - corners metal 1,25x400
of Rochem

Material: galvanized steel sheet
Width of wooden board: L-400mm

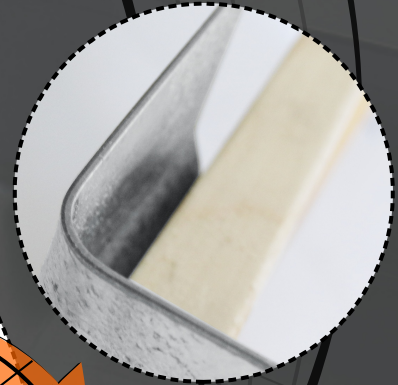

Thickness: #2,00mm
Holes on rivets: Ø5mm

Specification:

Material: galvanized steel sheet
Material thickness: 1,25mm
Holes on rivets: Ø5mm
Weight: 0,544kg

Additional option:

Painted powder hinge:
according to the RAL palette

ANGLES - CORNERS METAL 1,25x400 OF ROCHEM

Product name:
Angles - corners metal 1,25x400

Material: galvanized steel sheet
Width of wooden board: L-400mm

Thickness: #2,00mm
Holes on rivets: Ø5mm

Specification:

Material: galvanized steel sheet
Material thickness: 1,25mm
Holes on rivets: Ø5mm
Weight: 0,888kg

Additional option:

Painted powder hinge:
according to the RAL palette

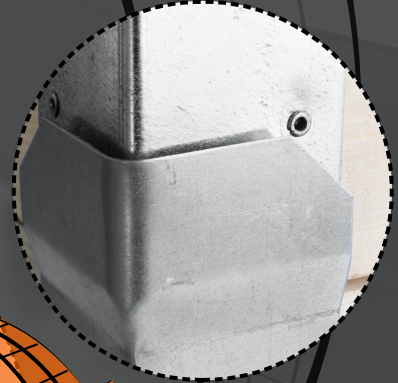

ANGLES - CORNERS METAL 2,00x400

Product name:
Angles - corners metal 1,25x400
of Rochem

Material: galvanized steel sheet
Width of wooden board: L-400mm

Thickness: #2,00mm

Holes on rivets: Ø5mm

Specification:

Material: galvanized steel sheet

Material thickness: 2,00mm

Holes on rivets: Ø5mm

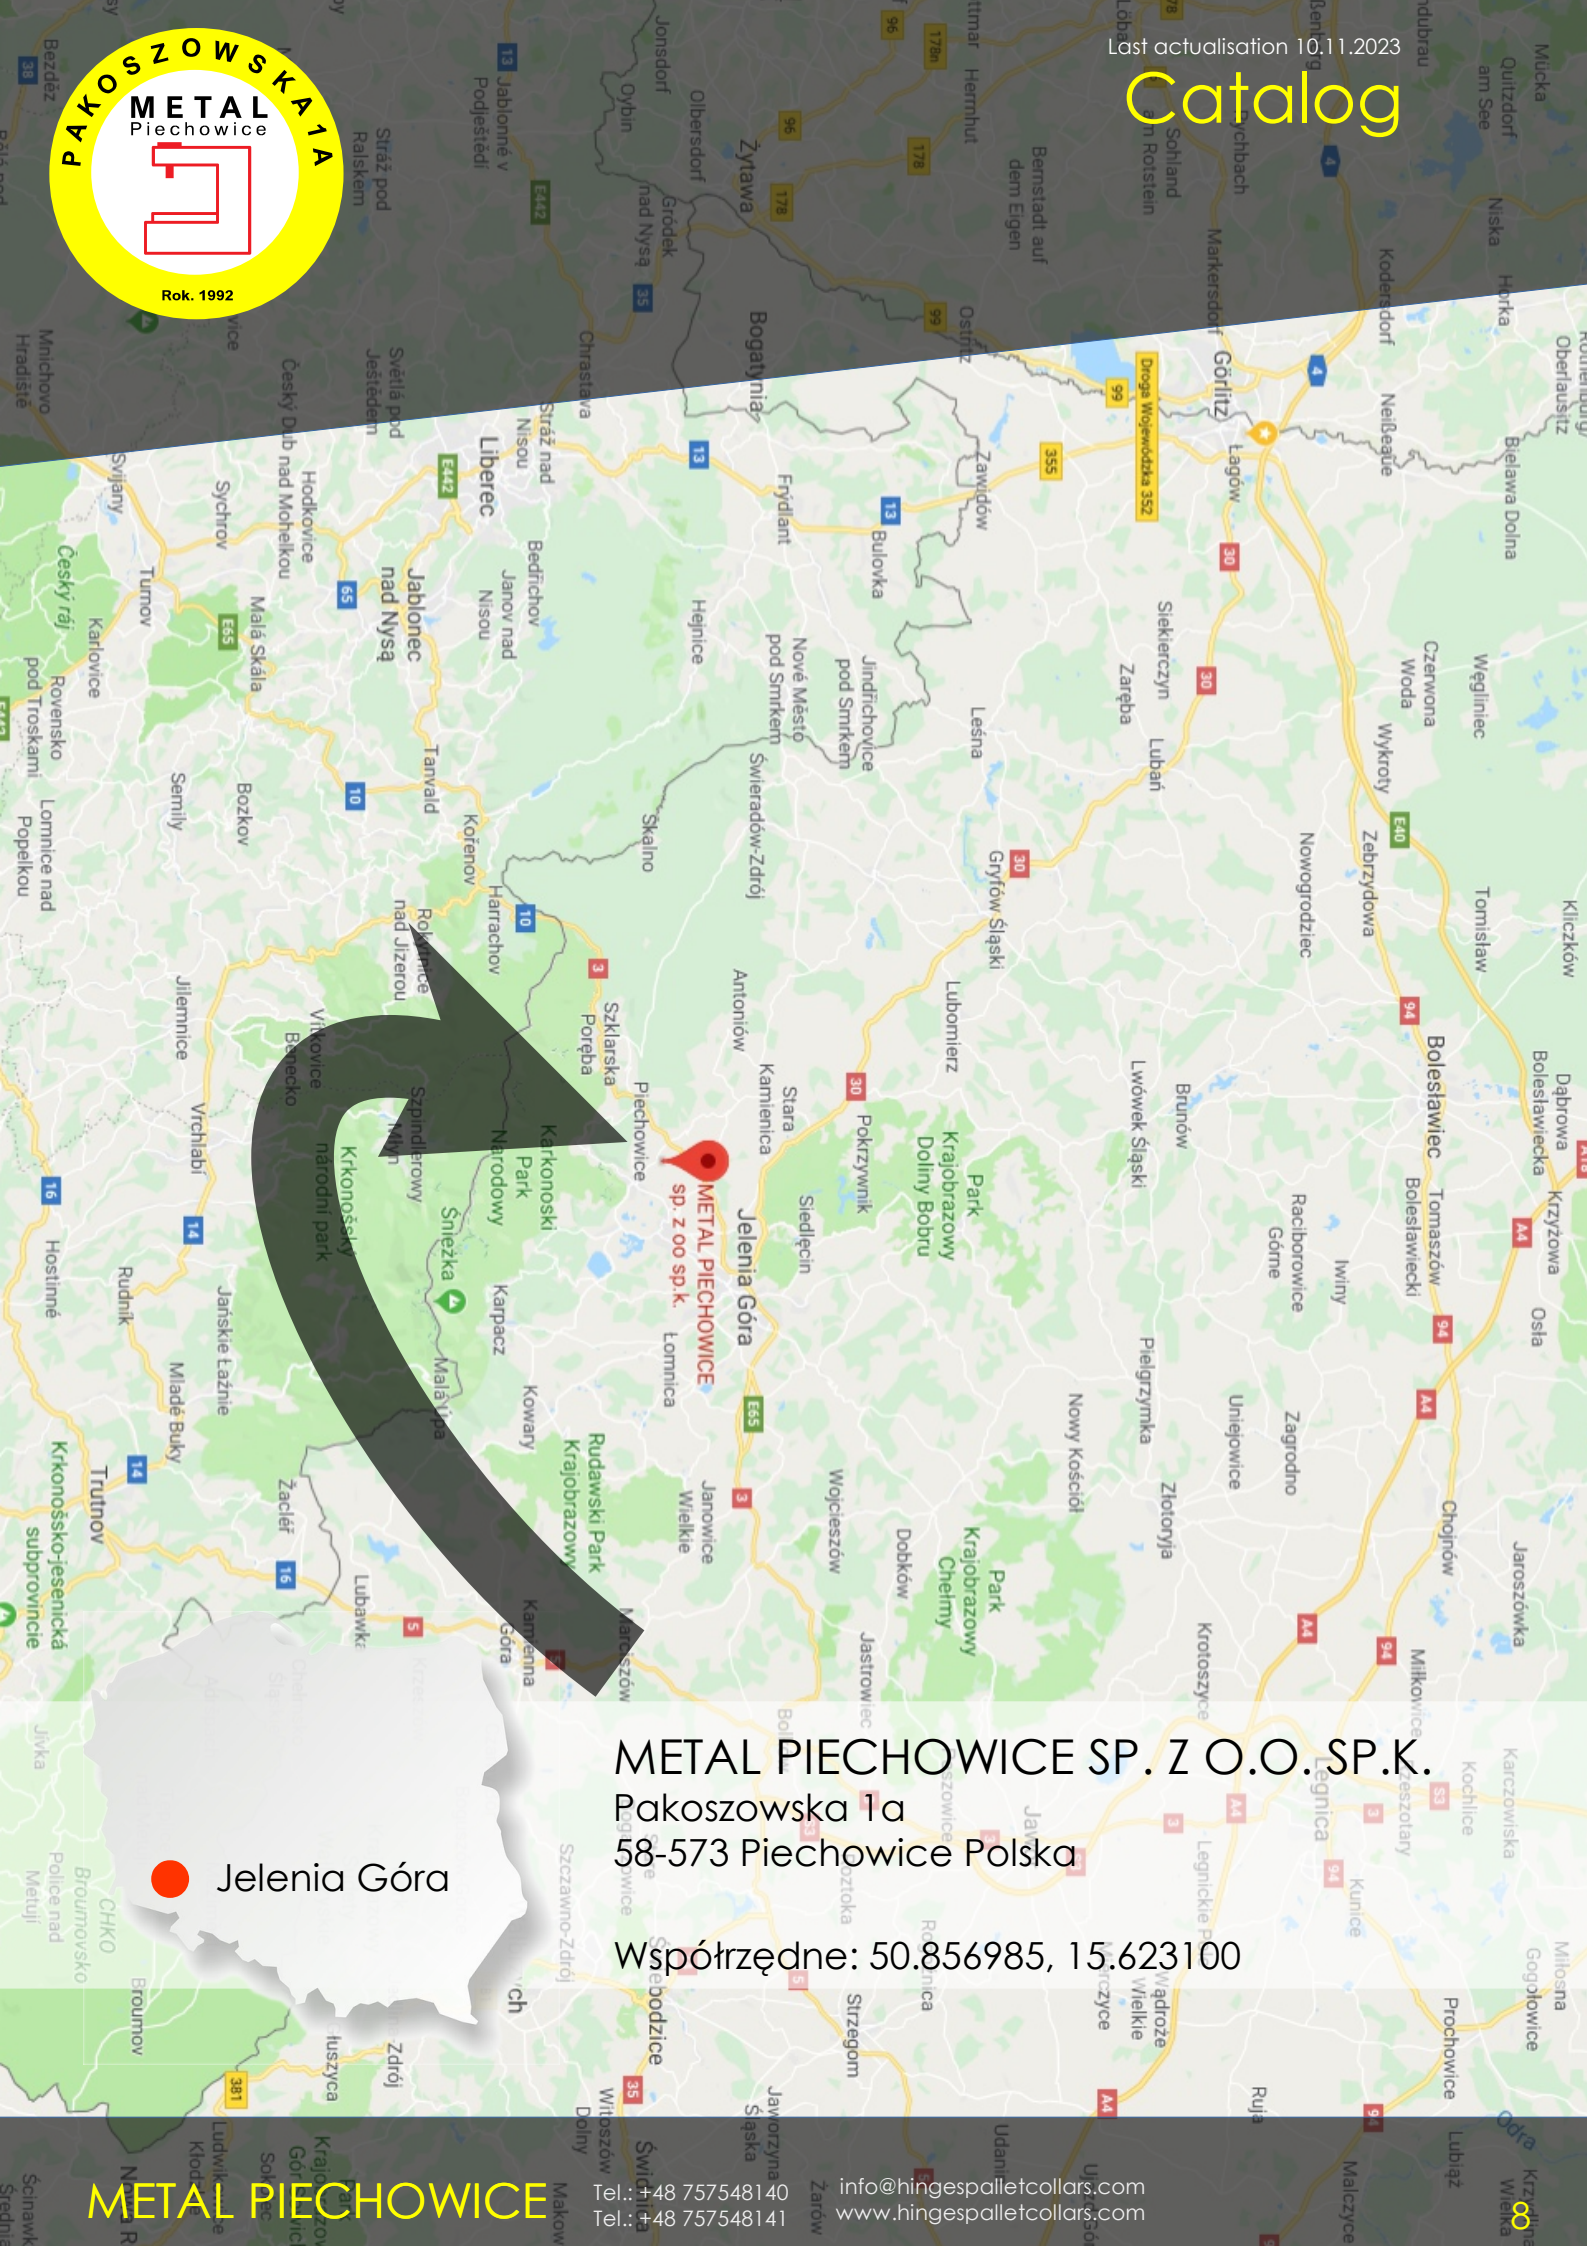

Weight: 0,977kg

Additional option:

Painted powder hinge:
according to the RAL palette
